ACE HIGH DECK

Ready for the Road, Ready for Business.

ACE

HIGH DECK

ACE HIGH DECK - THE IDEAL BUSINESS PARTNER

Now when you choose TATA ACE, India's first and favourite mini-truck, you also choose to start earning from day one.

The advantages of TATA ACE – High Deck version

Ready for Business: With a high deck body already in place, you can take your TATA ACE straight to work. Now save time and increase your profit from the very beginning.

Quality: A sophisticated manufacturing process and the use of high-quality corrugated steel sheet (1 mm thickness, D513 material) ensure that the trusted quality of Tata Motors is retained even in the high deck body.

Finance: Your vehicle finance also includes the cost of the high deck body, thus reducing the initial investment.

Reliability: Now not just your vehicle, but also your high deck body stays protected under our standard warranty of 2 years or 72 000 km. This is supported by 1600 service outlets and 24-hr toll-free helpline (1800 209 7979).

Savings: The high deck body comes at a very economical price, helping you save big, right from the time of purchase.

About TATA ACE

Tata Ace is India's first and favourite mini-truck. It is **economical, maintenance-free** and **fuel-efficient** with a robust & reliable diesel engine. While its **high ground clearance** and **high loading capacity** add to its performance, its unique design ensures superior style and comfort. With more than 15 lakh vehicles on the road, TATA ACE is the highest-selling mini-truck in India for the last 11 years. Are you ready to join the club?

High storage capacity

New locking mechanism for enhanced safety

Made of high-quality corrugated steel
